Ms. Kavyal Sedani is an NLP practitioner, a counselor and certified therapist. Being a hospitality graduate and an expert guide on speech, diction, etiquette, grooming, stage presence and public speaking, she has the experience of having coached numerous participants from all walks of life. She has trained over 3000 students from over 12 educational institutes in Mumbai alone.

Her sessions help in shedding one's inhibitions as well as in boosting confidence and morale. Her lessons, which spread over four or five sessions, cover posture training, dressing well, language and diction.

Kavyal is a huge Oprah Winfrey fan and has followed her show for 10 years. Being deeply influenced by how much impact Oprah had on the people of the world, she dreamt of learning from the master herself. In January 2012, Kavyal met Oprah in Jaipur and henceforth was invited to participate on the "Oprah Winfrey's Lifeclass show" as the only participant from India. Kavyal's association with Oprah continues after she received a personal letter from Oprah in November 2012.

She is also a faculty member with one of India's best corporate etiquette trainer, Ms. Suneeta Kanga and has accompanied her many times conducting workshops pan India.
