1.We unconsciously do lot of stuff which others find it non-professional. So will make conscious effort to be more professional. 2.I learnt now to present myself at work place meetings with I hope to remember all the life & apply them. 3.Thanks, I was waiting for these session. Will surely use these estimates in my daily & professional terms. 4.Very well presented. Well informed. Would definitely recommend it. Very useful and insightful. 5.Extremely helpful in an MNC environment where one needs to be presentable in front of office crowd & client. 6.Will try to remember the 7.This will help me with client interaction. 8.Would practice in day to day activities/when required. 9.The actual practical applicability is a bit suspect, though it was very information & entertaining session. 10.Try to follow the best etiquettes. 11.Good to be groomed & feel consider & 12.Business meets, client engagements & personal development. 13.This session will help me in making a good first impression on new/potential clients, given a chance for a such interactions, learnt quite a few things, which initially looked "odd/out of place", but important to know so react in an unintended manner. 14.Make conscious efforts to lack international business etiquettes. 15.Will implement good manner in day to day life. 16.Learnt a lot etiquettes. I am sure, I am going to use it in day to day life. 17.Sealing arrangements, working with lady in group & table can be applied in day to day life. 18.Excellent communication, presentation, act of involvement. All the above exhibited and should/can be implemented.

1.This session had humour angle which made it more interesting and involving. 2.I would more given a rating of greater than 10. If permitted great presentation skills. 3.Very entertaining & informative session. 4.No suggestion. 5.Course duration (length) can be reduced a bit. 6.More practical 7.Very good session. 8. Highly fun filled session. 9.Less coverage on fine dining and more on material and great discussion, talk, various geographies and their culture. 10.We have simulation exercise under culture/sensitivity in local BU. Most of the expects are covered under same. 11.Skills given to Juniors. 12.Entertaining. Lots of learning, very well managed, excellent.
